# What do the patients want?

- **Access to the best prevention, diagnostics and treatment;**
- **Prioritization of most sick, sick, the more vulnerable, everyone;**
- **Elimination of hepatitis C;**
- **Sustainable health systems;**
- **Affordable prices.**

# Pricing strategies for Europe

- **Western Europe and European Union- we are not equal;**
- **Accessing countries and Trade agreement enforcement;**
- **Eastern Europe and Central Asia – what prices to insure access;**
- **Russian Federation – can we do something?**

# What do people living with Hepatitis C want from:

- Governments
- Pharmaceutical industry
- Healthcare professionals
- Opinion and decision makers

# What do people living with Hepatitis C don't want?

- ☒ Interferon
- ☒ Ribavirin
- ☒ Boceprevir
- ☒ Telaprevir
